

Shrewsbury Conservation Commission
Monthly meeting 3/1/16

Members present : Cynthia Thornton, Grace Brigham, Lily French and Connie Youngstrom.

First topic of discussion: Variety show plans. Lily has had little interest so far so it was decided that a minimum of 15 acts need to be lined up by March 9 or the show will be cancelled. We listed people who might come up with an act and then divided the list for phoning. This will need to be completed by 3/4/16 and results called in to Lily. Jesse in an email, has offered to set up for the show, make phone calls and more.

A variety show committee mtg. be scheduled for March 15th, tentatively set .

Green Up Day. Jesse willing to participate recycle at transfer station per email. Most SCC members are available that day. It was agreed that we follow the same formula as last year.

May 2nd. Jens Hilke will be coming to Weezies house for a meeting on an outreach program for conservation . A light meal will be served. Agreed that it is important that we all attend.

Invasives. Two workshops planned for the upcoming summer. Jesse can go ahead and schedule garlic mustard in May and Parsnip in July .

Next mtg April 5, 2016 at Youngstrom's, 5pm.

Meeting adjourned 6:20 pm

Respectfully submitted,
