

**Shrewsbury Planning Commission
MINUTES
September 20, 2016**

Present: Laura Black, Francis Wyatt, Tim Vile, David Rice & Marilyn Dalick

Approval of Minutes

Approval of minutes has been tabled until our next meeting on October 3.

Rounds

- Laura informed us that William Burke, Administrative Technician of Districts 1 and 8 announced an October 3 deadline regarding paperless Act 250 application notices for municipal entities. Laura has signed the form provided and put on Mark Goodwin's desk for his signature.

- Francis will provide a new version (number 4) of the zoning regulations at the next scheduled meeting (October 3). One hard copy will be provided for Mark Goodwin; other PC members will wait until the final draft for their hard copies, using the electronic version until that time.

Tonight's Meeting

Discussion of work to be done, including a review of the Town Plan to assess suitable locations for future wind and solar projects.

ACTION ITEMS STILL OUTSTANDING:

1. Determine acceptable locations for solar and wind in Town
2. Scenic roads analysis
3. Set a date for Public Hearing—perhaps September/October. Still not certain.
4. Melissa will write a definition for "Certificate of Compliance." A definition exists in Chapter 117.

Our next meeting is October 3, 2016 at 7:30 p.m. (Jolly's birthday).

At the October 17 meeting, we will have a send-off party for David Rice!

We adjourned this evening at 9:00 p.m.
