

Shrewsbury Planning Commission  
MINUTES  
December 19, 2016

Present: Laura Black (chair), Mark Goodwin, Francis Wyatt, Tim Vile,  
Melissa Reichert & Marilyn Dalick

Tonight's Meeting

**Minutes of December 5**

The minutes were approved as written. Mark moved to approve, Melissa seconded the motion, and all were in favor.

**Rounds**

- On December 12th, Francis attended an energy usage meeting at the Rutland Regional Planning Commission (RRPC). In the spring of 2017, RRPC plans on distributing analysis, data, and maps to towns with established kilowatt "goals." Francis said that some of the details are not yet clear.
- Mark was approached by a company in Rutland, Earth Waste Systems (49 Wales Street, near Roots, the restaurant) who want to use Elnicki's gravel pit to dispose of houses that they tear down (rendering it a land fill), and Mark referred them to our Zoning Administrator.

**COMPLETED ACTION ITEMS:**

1. Section 301, Certificate of Compliance: Laura did a fine job of rewriting this section, and it was approved by all at this evening's meeting for inclusion into the unified zoning regs.
2. Section 303 : This will be removed from the document, and all were in favor of this at this evening's meeting.
3. We selected a date for our Public Hearing: March 20, 2017. Mark will help with notification and preparation. We will put a notice in *The Times of Shrewsbury*, deadline of February 20<sup>th</sup> for the March issue.

**Other**

Would an informational, educational packet with materials for contractors be helpful to ensure that building and other projects are in compliance with the Town's regs? This needs further discussion.

**Next meeting:** January 16, 2017 at 7:30 p.m.

We adjourned this evening at 9:00 p.m.

Respectfully submitted:

Marilyn Dalick, SPC Clerk	Date
Approved: _____	_____
Laura Black, SPC Chair	Date
