

SCC Minutes 10/15/19
450 Frank Lord Rd.
5:15 pm

Grace Brigham, Chris Clarke, Louise Duda, Cynthia Thornton, Connie Youngstrom

1- minutes read and approved

2- Treasurer's Report
\$702.21 available funds currently

3- VT. Invasives conference in Montpelier
no one has indicated interest in attending

4- Municipal Day, 10/31/19, in Rutland
Weezie wants to go for the whole day (\$25.00). Chris and Pam are also going.

5- Walk and Talks

Carbon Sequestration, Tim Stout, Friday, November 8th at the Library. Peter is contributing cider, we hope. Chris and Pam will bring brownies, cookies.

6 - Tee Shirts

Colors for the long sleeve shirts are limited. Short sleeve shirts have more color choices. We voted for all long sleeve gray shirts.

The date for the Thank You has changed to Thursday, November 14 @ 7pm.
Connie will make a cake.

7 - Sue Morse Presentation

Weezie has left messages on her phone. (She does not have a computer or cell phone). We are looking at a mid January presentation on Habitat Connectivity at SMS. Sabrina McDonough is our contact person at the school. We will widely advertise. Connie will coordinate with Sabrina. Weezie will come up with dates and get back to Connie. The fee is not what we originally thought. If we book very soon the cost will be \$500 (50% off) plus travel expenses. We voted to spend \$500 for this presentation. Weezie will ask if the SMS PTO might contribute refreshments or otherwise donate for this event.

8 - Transfer Station visit

It is well organize and well signed. The biggest issue is when people do not sort correctly. There are a few things that could be improved. Weezie, Alice and Connie are next going to Hubbards to get information.

9- Lottery Road Wildlife Corridor
Updates

Meeting Adjourned 6:19 pm

Next Meeting: November 12 @ 5:15, 450 Frank Lord Rd.
